Description

It is not enough to be the highest tropical mountain chain in the world, to have beautiful glaciers like Huascarán or incredible snow-capped peaks like Alpamayo; nor is it enough to be revered by climbers from all over the planet, who seek to conquer its peak at any cost, since it is as irresistible as it is imposing.

She wants more. She wants the Black Mountain Range, the rock giant that is located in front of her. The dream of this bride is eternal and unattainable, because she has always separated them from the Callejón de Huaylas. But the Cordillera Blanca is and will continue to be the most beautiful of all. The most desired by its inhabitants and visitors.
